

PHOTOACCESS

40th BIRTHDAY

1. Cyanotype Printing

Make your own print to take home using the power of the sun. Dive in and learn more about this very old and simple way of creating images.

From 3pm: Cyanotype printing

2. Scratch Film Station

Jump into the fun and creative process of creating a scratch film and see it projected at dusk. This station is run by local analogue film artists Nicci Haynes & Fiona Hooton

From 3pm: Scratch film
8:30pm: Projection screening

3. Large Format Portraits

Pose for a beautiful direct positive large format portrait, shot by our skilled team and hand developed in the pop-up darkroom. **This is a payment point for purchases of large format portraits!**

From 3pm: Portraits

4. Bar

Serving beers from BentSpoke Brewing Co., wine from Lerida Estate Winery, frozen cocktails, and soft drink! **This is a payment point for purchases of drinks, merch, and donations!**

From 5pm: Bar open

5. Gallery

The current exhibition showcases the work of this year's Dark Matter Artists-in-Residence. The annual Dark Matter program invites artists to experiment with alternative processes with full access to our facilities.

6:30pm: Speeches and exhibition formally opened by Tracey Moffatt

7:30pm: Artist talk by Claire Paul

6. AI Slideshow

Documenting the history of **photo access** enhanced by the powers of artificial intelligence, created with assistance from Luma by Tony Dong.

7. Darkroom

Join current Dark Matter Resident Sari Sutton for a demonstration of her elaborate photogram print process.

5:30pm: Darkroom demonstration by Sari Sutton

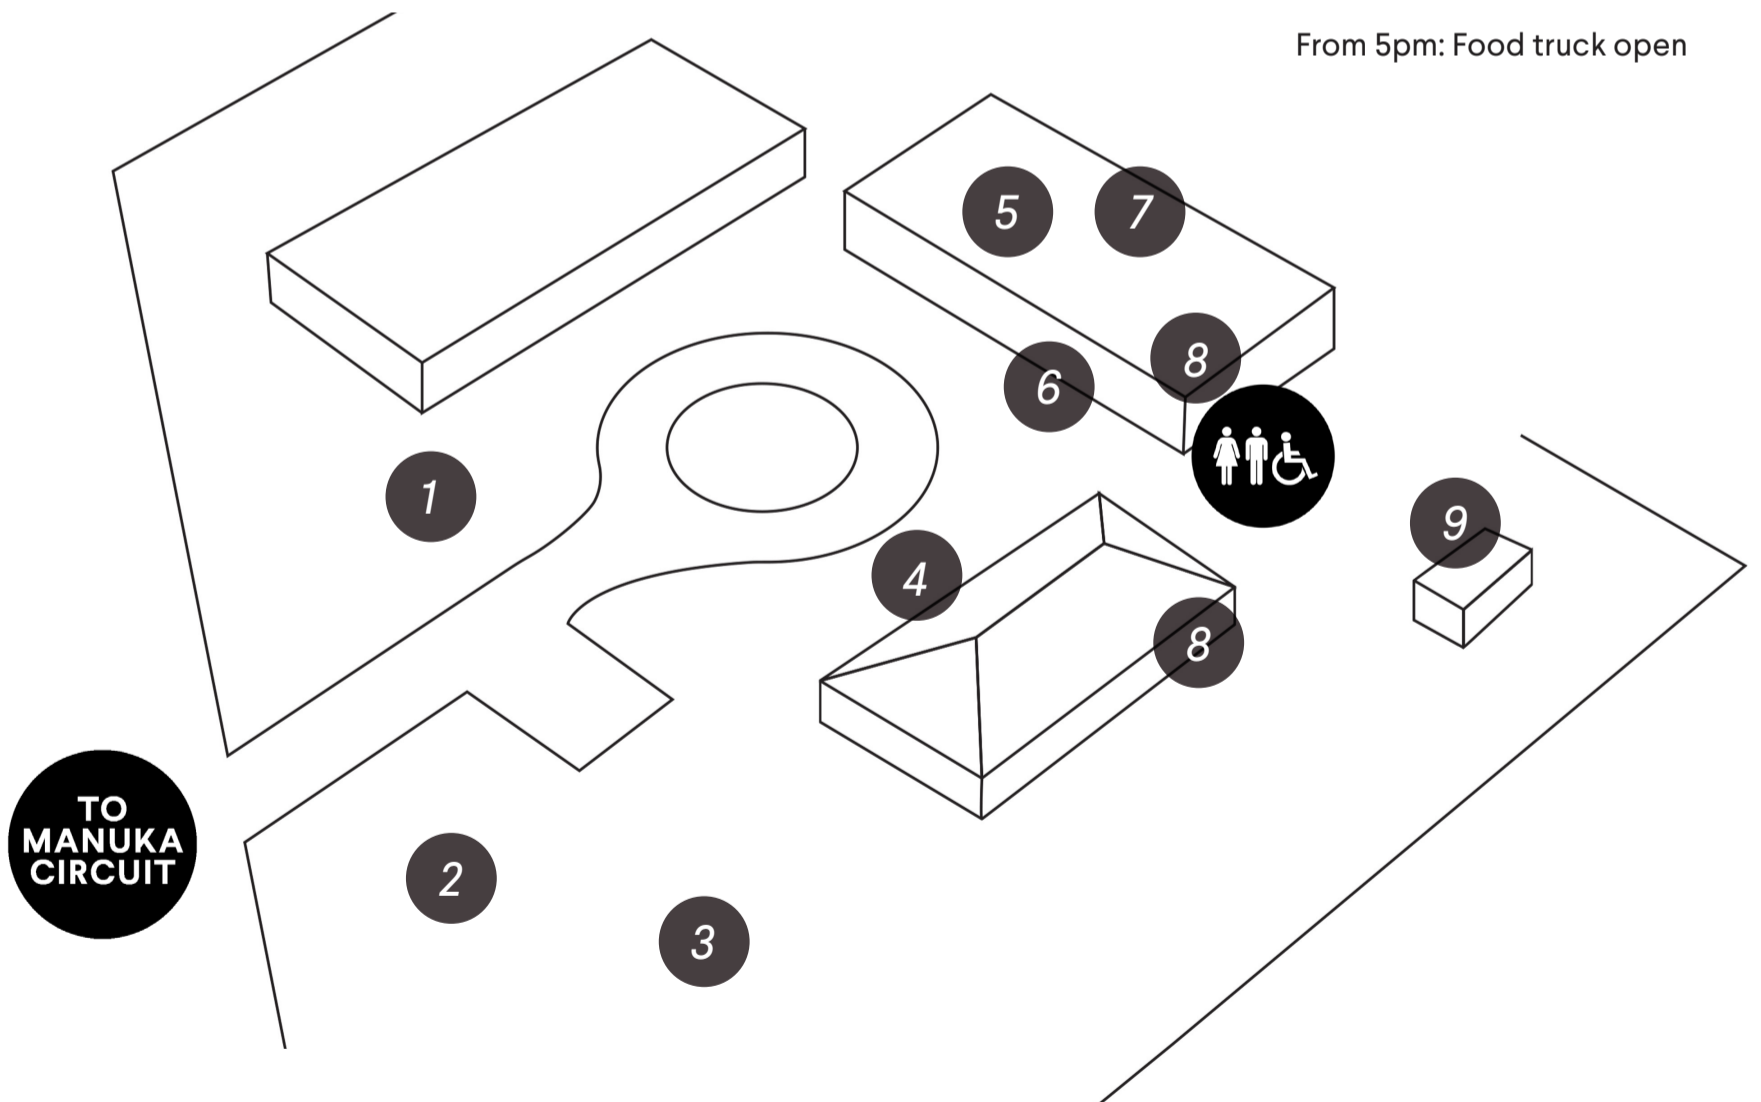

8. Toilets

Two toilets (one accessible) located in the main **photo access** building, third toilet located in the building closest to the food truck.

9. Jarochos Food Truck

Enjoy authentic Mexican food at the Jarochos food truck.

From 5pm: Food truck open

photo access is the ACT and region's centre for contemporary photography, film and video and media arts. An established non-profit incorporated association based at the Manuka Arts Centre in Canberra, we're a friendly creative community making, sharing and investigating photographic culture in the interests of artistic expression, cultural participation and positive social change. All proceeds go to continuing our program of exhibitions, workshops, artist residencies, and community projects!
