

Canberra Contemporary Photographic Prize

The *Canberra Contemporary Photographic Prize* is an open-entry exhibition and competition celebrating emerging and established talents in the field of photo media. This inaugural exhibition unites the distinct voices of 72 artists, offering a kaleidoscopic view of contemporary photographic art.

Reflecting on diverse themes, from our complex relationship with the natural world to mythological narratives, the inventive use of alternative photographic processes, and the adolescent experience, this competition speaks to contemporary culture across Australia and internationally.

The First Prize, generously funded by Lucent Imaging, is \$2,000, with Prinstant supporting the Second Prize with a \$1,000 contribution. Additionally, you can cast your vote for the People's Choice Award, where the winner will be awarded \$500 following the display period.

Esteemed judges for this year's competition include visual artist Anna Madeleine Raupach, photographer Chris Round and PhotoAccess Director Alex Robinson.
